

# RAINMANGAMES

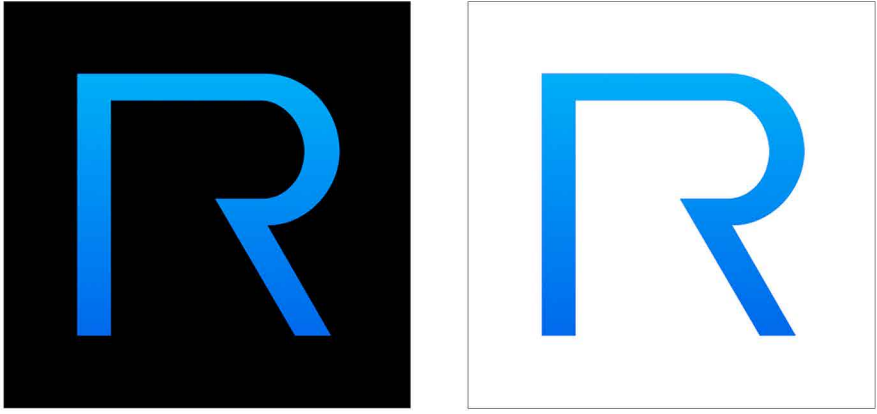

## DESIGN GUIDE

### LOGO

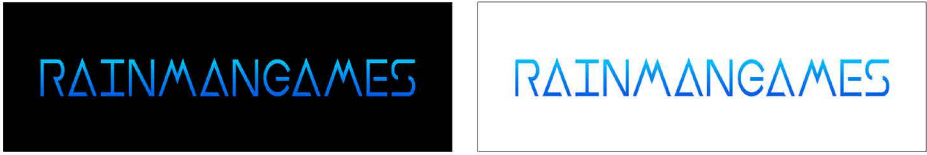

### MAIN LOGO

RAINMANGAMES is represented by a Stylized R from the Font Earth Orbiter. Please use the appropriate logo background if a given background is presented.

### TEXT LOGO

RAINMANGAMES is also be displayed with the text logo. Again, please use the background of white or black if a background of white or black already is present.

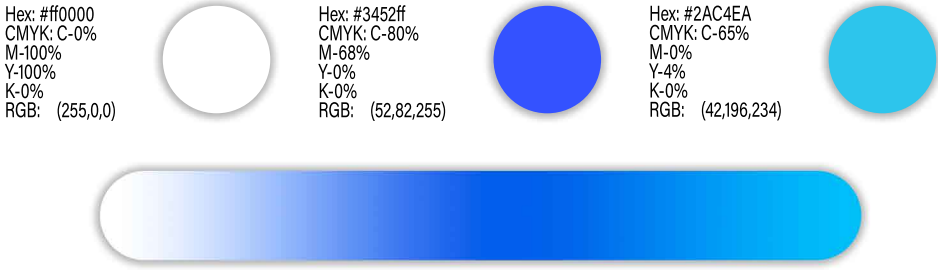

### SAFETY AREA

The main logo has a surrounding safety area around the R. The text logo has a safety area around all of the characters. The safety area must always be respected.

### COLORS

All variation colors are built off the following color set. Please restrict use to the primary color set or select from the gradient.

### TYPOGRAPHY

RAINMANGAMES uses two Fonts: Earth Orbiter for logos and headers, and Saira for all generic text. Wherever Possible, it should be used for all forms of content, ensuring a consistent look and feel across all touchpoints.
